"Legacy: Truth Matters"

Malachi: What kind of legacy are we living?
This week: Without clear direction, we remain lost.

Malachi 2:1-9 God gives the priests a choice.

1. God wants to correct us, not curse us (1-3).
2. Without Truth, there is no turning (4-9).
3. What is at stake for us? Other? God?

→ God directs people to us so we can direct people to God.

SINKING IN: Questions to process with your family, friends, & self-reflection.

1. What is the significance of the reference to dung for a priest?
2. How do you respond to correction? Where is God correcting you now?
3. How are Levi & Jesus connected? How do they help us turn to God?
4. How do you listen to God? How do you know when He is speaking?
5. Why does our conduct matter in the service of God for others and us?
