"Legacy: Money Matters"

Malachi: What kind of legacy are we living?
This week: God wants us to leave a legacy of generosity.

Malachi 3:6-12 God motivates the priests to give generously.

Why do we tithe/give?

God can help us do more with 90% than we can do with 100%!

It is never too late to start somewhere!

→ God wants something from us BECAUSE he wants something FOR us.

SINKING IN: Questions to process with your family, friends, & self-reflection.

1. What does "tithe" mean? How does the NT raise the bar for giving?
2. How does "robbing God" hold back our hearts from God?
3. How does tithing train us to live a life of generosity? Life of trust?
4. Why is guilt the worst form of motivation when it comes to giving?
5. Where in your life have you seen the blessing of God?
