"Jesus Changes Everything: Prayer"

**Mark:** What is Jesus changing in you?

**Today:** How do we move from "survive" to "thrive?"

**Mark 1:35-39: What was Jesus' secret?**

If we want to advance, we have to retreat.

How can we create space for listening?

→ **Prayer is not a means to an end unless God is the end.**

**SINKING IN:** Questions to process with your family, friends, & self-reflection.

1. What habits or rhythms do you regularly engage in or wish you did?
2. What is prayer to you? How or why is solitude necessary?
3. How does God use prayer to transform us and give us purpose?
4. Why is communication important in the development of relationships?
5. How can you develop your prayer life? What can you do tomorrow?
