"Legacy: Going Through the Motions"

Malachi: What kind of legacy are we living?

Last week: God's love is our greatest legacy.

This week: What does honor have to do with legacy?

Malachi 1:6-14 The priests dishonored God by going through the motions.

1. Half-hearted living dishonors God and makes us weary.
2. Giving God our best honors God and brings us life.
3. But...what if?

→ We leave a legacy later, by living a legacy now.

SINKING IN: Questions to process with your family, friends, & self-reflection.

1. What role does honor play in our society? What is honor for us?
2. How do we give God second best? How can our hearts change?
3. Is it better to have fake faith in church or no faith out of church? Explain.
4. How does giving God second best help/hurt others coming to Christ?
5. Why does giving God our best matter in terms of legacy?
