Message: "Jesus Changes Everything: Forgiveness"

Jordan Hansen, Lead Pastor

Book of Mark: What is Jesus changing in you?

Today: Have you ever been offended by Jesus?

Mark 2:1-12: How does Jesus navigate, sin, forgiveness, & our expectations?

Jesus forgives sins?

What keeps us from forgiveness?

→ **Nobody expected Jesus to be able to forgive sin, but he did anyways.**

SINKING IN: Questions to process with your family, friends, & self-reflection.

1. What are the positives & negatives of expectations?
2. How do our expectations of Jesus limit what we can receive from him?
3. Why is spiritual healing more important than physical healing?
4. Why are we afraid of acknowledging sin?
5. How can receiving forgiveness change our expectations of Jesus?
