Jordan Hansen, Lead Pastor

“Jesus Changes Everything: Community”

**Mark:** What is Jesus changing in you?

**Today:** How important is belonging?

**Mark 2:13-17: Who did Jesus come to “call?”**

Joining Jesus keeps us from criticizing him.

How do we balance the tension of influence?

→ **There is always room at the table...for ONE more!**

**TALK ABOUT IT:** Questions to process with family, friends, & yourself.

1. If Jesus still lived on Earth, who would he be hanging out with?
2. How does feeling like we “belong” help us in the journey to “believe?”
3. How can a critical spirit keep us from joining Jesus?
4. How do we balance the “tension of influence?” How can Jesus help?
5. Why does the church struggle with being a community ON mission?
